City of Hot Springs is an Equal Opportunity Provider

Excavation contractor is responsible for all street surfacing, sidewalks, curb and gutter, alleys and anything else destroyed or damaged during excavation project shall be restored to its original condition or better before the completion of the project.

Liability: If any settlement occurs in or under the surface of pavement within one (1) year of the completion of the project it shall be presumed that bedding, backfill and/or compaction was not done to City specifications. Upon notification of the discrepancy the Excavation Contractor will correct the deficiencies within a reasonable period of time.

If the City must cause the work to be done the Excavation Contractor responsible will be charged one and one half (1½) times the cost incurred by the City to rectify the situation. Failure to comply with the provisions of this permit may result in the suspension of excavation permits and/or licenses.
