

EVANS PLUNGE ADVISORY COMMITTEE MINUTES

October 12, 2023 Noon @ plunge

Present: Linda Varvel (committee chair) Kris Hanson, Tom Naasz, Alison Ritterbush, Barry McNair, Travis Riedel and Gabi Martin. Guests Present: Ivan Venner, Kim Moir and Ed Jensen.

1. Diver program discussion: This program will hopefully provide continued training for local divers and recertification. The group is hoping to develop more interest locally for training and certification of individuals. Eventually looking to start a local search and rescue team. The times and dates to be worked out with Plunge director, but looking at perhaps every other Sunday 7-10 am.
2. End of year projects: HVAC in the Cardio/weight room is not controlling temperatures. Brian Nelson reports it is deteriorated and not revivable so looking at 2023 budget for replacement. Will be addressing the slippery steps into the pool. Schock pool for algae. Steam room floor has delaminated. Meeting with a design company, ISG from Mankato MN on the façade work, insurance available.
3. Review of monthly incidents: only 2 reported incidents
4. Other items: There was request to have Fall River Swimteam gear for sale in the giftshop, Alison will look into that. Summer admissions May1-Aug 31 2023 was 80,550 compared to the same time in 2022 was 66,873. We are on track with our budgeting. Gabi reported on recreation swimming wanting to utilize the fun Friday \$3 admission October – April. Alison reported the Fall River Swim team kicked off on October 12 with tryouts. Looking into long term locker rentals for the team for the season. Staff will look into it.
5. Next meeting November 9, 2023 @ noon @ plunge
