

EVAN'S PLUNGE ADVISORY COMMITTEE

April 13, 2023

12:00 pm

Present: Linda Varvel, Kris Hanson, Okoye Zimiga, Dennis Fischer, Tom Naasz, Alison Ritterbush, Barry McNair, Malissa Niles. Excused: Maris Smith.

Welcomed Malissa to our group.

Discussed update on new committee member recommendations. One individual declined due to a change in employment. Will follow up with a second person.

There were no new incidents to report.

Closure review: Annual cleaning was uneventful, got many tasks completed. Refresh painting, installed plastic mopboards, new rope in the pool, ring was repaired. Drained pool which allowed for rock leveling, repaint steps. New shower head in steamroom. Dealing with debris in the observation deck area. Looking at installing a new sign at Minnehata Junction area with the skin to be applied at 14'x45'. Yet to be done is install roll up door on back corner of building and refresh front of building.

Summer Planning: Still need to hire life guards and front desk personnel for the summer. We have 14 guards currently but may drop to 12 before the summer season starts. Per Alison; she is looking into holding a USA Swim camp this summer consisting of 2-2week sessions. Need to figure the fees and insurance. Will be held in the outdoor pool area. As there will be no swim lessons offered this year without a Recreation Director.

Next meeting-May 11,2023 Noon @EPMS
