

EVAN'S PLUNGE ADVISORY COMMITTEE

MEETING MINUTES

April 11, 2024

12:00 pm- Evans Plunge

Present: Linda Varvel, Kris Hanson, Gabby Martin, Barry McNair.

1. Update on Equipment-Have found and purchased a 10 ton heat pump for \$35,000 includes installation, but not removal of current pump. Estimated arrival is 12 weeks. Steam room is down have ordered a new control system for \$3000 installation will be this week.
2. Closure review- The annual closure for cleaning went well with lots of maintenance, cleaning, painting and powerwashing going on. New soda fountain installed in lobby area; as well as new shower curtains in the dressing rooms.
3. Review of monthly incidents-We have a frequent patron with medical issues that tends to overuse the hot tubs, having to be fished out numerous times. This person has been informed of the limited time usage posted, but has decided to ignore the signage posted. Committee believes we need to seek legal guidance on how to proceed with this issue to avoid issues and still provide a safe environment for all users.
4. Other-two new guards are starting this week with a third showing interest. Per Gabby WSI Certification training for 2 new girls coming soon. Swim lessons to start May 20.
5. Next meeting May 9,2024, noon at EPMS

Adjournment @ 12:41
