New Business Items

1. Staining of sidewalk transition areas along 385 road reconstruction route - The Committee discussed the benefits and concerns of project wide straining/painting versus no action of sidewalk-transition areas. It was determined that project wide marking of the transition areas was not appropriate and that only individual portions would be considered for marking if it is actually determined that it is necessary and beneficial.
2. Title V Chapter 50.02 Solid Waste – Proposed revisions were reviewed comments were forwarded back to the Finance Office.

There were no Departmental Summaries or 30 Day Look Ahead due to road reconstruction support.

Active and Inactive Project information can be found in the current Public Works Report on the City Web Site

The meeting adjourned at 2:44 p.m. The next meeting will be Tuesday November 14th at 1:00 p.m. at the Mueller Center Conference Room.
