Sewer \$33.16

Water meters are read the first two weeks of the month. Readings are done approximately the same time each month to ensure consistent billing. The readings are the water usage from previous month. Bills are generated and sent out the last of the month and due by the 15th of the following month.

Payments that are received after the 23rd of the month are subject to a \$10.00 late fee.

All uncollected accounts are reported to a credit collection bureau.

Payment Options:

You can pay your utility bill by check, credit card, money order, cash, the payment portal on our website or through your bill pay (with bill pay, it can take up to 15 days before we receive it, which could generate a late fee)

We also offer ACH Draft via your checking or savings account that is withdrawn on the 7th of each month.

How to Make Your Payments:

Mail, deposit in drop box (outside of City Hall entrance), or in person. Credit or debit cards can also be called in.

Our Office Hours are Monday thru Friday 8:00 am to 5:00 pm (with lobby closing at 4:00 pm)

Our Mailing Address is 303 N River St, Hot Springs SD 57747

Our Phone Number is 605-745-3135

Please Remember if anything has changed on your account, call or send in a note with the updated information, example: address or phone number. If you are the only person listed on the account and would like someone else to be able to call in and ask for information on your account, you need to add their name. The reason for this is to help prevent identity theft and due to the privacy act. Also remember to notify our office if you are planning on moving. You are responsible for all water used until you disconnect services.

Solid Waste:

The only items allowed in your refuse totes are regular household refuse. All refuse must be placed inside the tote, any items left outside the tote will not be picked up. If you have more refuse than your tote can hold you may request additional totes at \$14.03 per tote through our office. **We ask that you place your totes out the night before your scheduled collection day.** If you should incur any problems with your refuse services or totes you may direct all concerns to **Sander Sanitation** at 605-673-3174 as they prefer to handle all customer issues.

Your Scheduled Collection Day: Tuesday Wednesday Thursday

All other items must be disposed of at a landfill.

Local Landfill:

Custer Fall River Landfill 605-662-7760
